The fact that quite recently seemed unreal, now appeared in our lives. Creating an Internet portal for public services, which any resident of our country can take advantage of, has become an incredible solution to a variety of problems. Among them are sitting in endless queues, lack of documents, the complexity of the record and so on. We decided to figure out how the "State Service" portal saves time and costs our trust. In what situations you save and time, and the money thinking with important issues through the "public services" is not only convenient, but also nice for your budget. Items of the Russian passport site " State service "You can apply for a passport replacement and immediately pay for state duty. If you pay through the portal, then get a discount, and instead of 300 rubles pay 210 rubles. But there is a clarification that this amount of payment is valid when receiving or replacing the passport in the following cases:

Changing the name, patronymic, information about date or place of birth;

Changes in appearance;

Floor changes;

Achievement of 20 or 45 years;

Detection of an error or inaccuracy in the records. If your passport is unsuitable for use, but the state duty will be 1,500 rubles, but the site will also be a discount and you will need to pay 1 050 rubles.

The discount is not provided with a primary passport of the passport at age 14 and at the loss of the document. Also, it is possible to arrange it after the loss, only if you have a personal visit. Certificate is a bit simpler. Regardless of the reason for the replacement of the certificate or its first receipt, you pay state duty in the amount of 2,000 rubles. And through the "state services" you will receive a discount and pay only 1,400 rubles. Observation passports of the old and new sample are available for registration. The size of the state duty for them is also varied. For an old sample, an adult is needed to pay 2 500 rubles, and for children up to 14 years old 1,000 rubles. The passport of the new sample to an adult will cost 5,000 rubles, and the child is 2,500 rubles.

You can also get a discount on design via the Internet portal or mobile application. Then the prices will be as follows: the passport of an old sample for an adult is 1,400 rubles, for a child - 700 rubles, and a new sample for an adult - 3,500 rubles, and for a child - 1,750 rubles. Discount will be applied automatically when submitting an application. Registration and termination of braking our harsh days to marry more expensive than divorcing. At the first solemn event, you will need to pay 350 rubles, but for the second more sad or joyful (for whom) you will have to give 650 rubles from everyone. If you are issued through the "state services" in the first case, with a discount of the state duty will be 245 rubles, and in the second 455 each.

It will be necessary to pay the state duty in the process of filling out the statement. The regulation of the vehicle is a state duty in this situation depends on your situation.

When issuing registration marks instead of 2,000 rubles on the portal, you will pay 1,400 rubles;

When issuing registration marks on trailers and motor vehicles instead of 1,500 rubles on the portal you will pay 1,050 rubles;

When issuing a certificate of registration of a vehicle 350 rubles instead of 500;

When amendments to the transmitted passport issued earlier, 245 rubles instead of 350;
And when recovering the passport of the vehicle due to the loss of the original 560 rubles instead of 800. The payment of the penalty itself is a very nice bonus for motorists. If you meet in a 20-day period after the discharge of the protocol, the discount on the penalty will be 50%.

But there are exceptions. This discount does not apply to:

Causing harm to health easy and moderate;

Drunk driving;

Disorders due to drug use;

Repeated travel on the red light, violation of the speed mode by more than 40 km / h;

Re-departure on the head of the oncoming movement;

Repeated management of unregistered vehicle (vehicle). Putting the permission for storage and wearing the usual state duty is 500 rubles, and when designing through an Internet portal - 350 rubles. The same amount will need to be given when extending or decoring permission.

What can be concluded? If you know how to use a computer, then it is difficult for you to register and execute documents through "public services". This will noticeably free your time if you, of course, do not like to sit in queues and chat with other people.
